

Dear Applicant:

I am proud to represent the Second Congressional District of Connecticut. One of the greatest honors that I have as a Member of Congress is the privilege to nominate outstanding young adults to attend our nation's military academies.

Some of the finest individuals who have served in uniform have chosen a similar path. The number of nominations that I may offer to each Academy is limited, and therefore, the application process is challenging and competitive. The reward, however, is worth your time and effort. While not everyone will be able to receive a nomination, each applicant's qualifications will be carefully reviewed and considered.

Please be aware that the timely submission and accuracy of your application are important to your success in the selection process. Be sure to carefully read and follow the guidelines outlined below. Above all, please keep a copy of all documents that you submit to my office for your records.

I look forward to an opportunity to meet you and to discuss your interest in attending a military service academy. Should you have any additional comments or questions, please do not hesitate to contact Ayanti Grant of my Norwich District Office at (860) 886-0139.

Sincerely,

Joe Courtney
Member of Congress

In the nomination process, we hope to learn about each candidate as a whole. SAT scores, transcripts, and activity lists tell us only so much information about you as a person. Accordingly, the following short answer and essay questions will help us better understand you and your motivation for attending a United States Service Academy. Please remember that there are no right or wrong answers.

Write your response to one of the following short answer questions and the essay question on additional pieces of paper. Please make sure your name is on the top, right hand corner of each page.

Short Answer Question #1: Which person, living or deceased, has had the greatest influence on your life? With an academy education, how would you be able to continue their work?

Short Answer Question #2: On the previous page, you were asked to list your activities by order of importance to you. Please tell us why you consider your top activity to be the most important. What have you learned from participating in that group, club, team, or activity? What have you added to the group? How will having participated affect you in the future?

Essay Question: Please write about your desire to attend a United States service academy. For example, you may wish to describe the event(s) that made you interested in attending a service academy. Furthermore, you may want to write about a family member or friend who was influential in your decision-making. Whatever topic you chose, paint a clear picture for us of why attending a U.S. service academy is right for you. (The average essay length is between one and three pages.)
