

Estimated FY2021 Grants to Local Educational Agencies Under the Elementary and Secondary School Emergency Relief (ESSER) Fund

This funding is broken down into two categories: ‘estimated minimum reservation of LEA funds to address learning loss’ and ‘remaining LEA funds.’ Together, these two allocations add up to the total estimated grant.

Notice: *These are estimated grants only. These estimates are provided solely to assist in comparisons of the relative impact of alternative formulas and funding levels in the legislative process. They are not intended to predict specific amounts LEAs would receive. In addition to other limitations, data needed to calculate final grants may not yet be available.*
