The Honorable Kay Granger
Ranking Member
Committee on Appropriations
House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$555,000 to fund a Digital Innovation Hub for Educational Excellence designed to provide credentialing programs in in-demand behavioral health and STEM fields to nontraditional students. The entity to receive funding for this project is Mitchell College, located at 437 Pequot Avenue in New London, CT. The funding would be used to purchase equipment and hire one staff member. Equipment would support in-person and virtual learning as well as STEM education. The additional personnel would partner with college officials and professional organizations to develop new programming.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JOE COURTNEY
Member of Congress
